### MEDICOES ARE BEATEN IN THE NINTH

Two-Base Hit by Geddy in the Ninth Inning

—Winning Run Scored on Love's

Single Over Second Base

The William and Mary Indians opened the 1917 baseball season on Cary Field by defeating the Medical College of Virginia nine by the score of 5 to 4.

The game was very slow, neither team showing much pep, until the ninth inning, when the Medicos made a run thereby making the score 4 to 3. The Indians came back, in their half of the ninth, and scored two runs on hits made by Geddy and Love. The game ended with the score 5 to 4 in favor of the Indians.

Close and Captain Garnett did good work for the Indians but failed to receive proper support, while King and Bruni pitched a good game for the visitors.

Goslee, Geddy and Love did the stellar stick work for the Indians.

The feature of the game was Creasy's catch of Murry's long fly in the fifth inning.

## FACULTY AND STUDENTS DECLARE FOR THE RIGHTS OF HUMANITY

Resolutions of Meeting Sent to President Wilson—

Dr Tyler Dencunces German Submarine

Practice With Eloquence

Pledging their loyal support to the Federal Government of measures against the outrages upon humanity involved in the German submarine practice, the Faculty and students of William and Mary College assembled at a mass meeting here Thursday night, and adopted resolutions which were sent to the President of the United States and the Virginia Senators and Representatives in Congress. Mr. Z. T. Kyle, President of the Senior Class, presided, and addresses were made by President Lyon G. Tyler, Professors W. H. Keeble, H. E. Bennett, and Mr. H. H. Simms. In the course of his patriotic and eloquent speech on the resolutions, President Tyler said:

"It is not a question of dollars and cents; it is a principal and a fundamental right of humanity which demands our attention, and for which we must fight. President Wilson is a pacifist in the sense that he has kept the nation out of this war as long as he could do so with honor, but the Germans have forced the issue, and he will no longer tolerate this unlawful and inhuman submarine warfare. To slaughter unarmed men is bad enough, but it is calculated to make any person's blood boil to hear of women and children being murdered on the high seas in this practice of wholesale piracy."

Professor Keeble, in defining a just war as a struggle between the right and the wrong, expressed his belief that the United States is right in its demands.

Professor Bennett declared that this was no time for peace at any price, unless the price of peace is war. This was the third time in the history of the United States that the students of William and Mary have rallied to the flag of their country, and judging from the seriousness of the assemblage, he thought that the students were not less ready now than on the two previous occasions to do the best they could.

The following resolutions were unanimously adopted by the Faculty and students:

Resolved, that we, the Faculty and students of William and Mary College, in mass meeting assembled, do hereby express our hearty approval of the course of the President in severing diplomatic relations with Germany and proclaiming a state of armed neutrality; and.

Resolved, Further, that deploring the clamorings of those who are for peace at the sacrifice of honor, we pledge to the Federal Government our loyal support in any measures taken to protect the honor and dignity of the United States, and the lives of Americans and their rights on the high seas. And we urge Congress, at the approaching session, to adopt adequate measures of protection, and to make thorough provisions for the National defense.

Further Resolved that a copy of this resolution be sent to the President of the United States and the Senators and Representatives of Virginia in Congress.

## TEAM LEAVES

The William and Mary Indians left Sunday for a week's trip through the Western part of the State. The schedule of the games to be played on the trip is:

April 2, Staunton Military Academy, at Staunton, Va.

April 3, V. M. I., at Lexington, Va.  
April 4, Roanoke College, at Salem, Va.

April 5, V. P. I., at Blacksburg, Va.  
April 6, R. M. A., at Bedford City, Va.

April 7, Hampden-Sidney College, at Farmville, Va. (Exhibition).

Fifteen men, including manager and coach, made the trip which will last for the week of April 1.

Coach Hubbard chose the following men for the trip: Catchers, Garber and Close; pitchers, Garnett, Hedrick and Foreham; infielders, Heflin, Love, Johnson, Fentress and Murry; outfielders, Cato, Geddy and Goslee.

F. F. Jenkins is at his home in Isle of Wight for a days.

## DEBATE CONTEST

### FINAL DEBATING TEAM IS CHOSEN

Ferguson and Moorman, of Philomathean, and

Simms and Fuller, of Phoenix; Compose De-

bating Team — Debate With V. M. I.

Saturday night the second preliminary contest was held to decide upon the men who will represent us in the contest with V. M. I. The question, Resolved that Congress Should Create a Commission of Compulsory Arbitration Between Railway Companies and their Employees, is one of the momentous problems which are now facing our country. All the debaters showed that they had given the question careful thought and had threshed out the different phases of this issue. Of the eight men who were selected in the first preliminary contest Ferguson and Moorman, of the Philomathean, and Simms and Fuller, of the Phoenix, were chosen to represent William and Mary in the joint debate with V. M. I.

We feel sure that these men will prove worthy representatives of our College, yet we must not forget the good work the other four men did. Just as the "scrubs" of a football team make the first team what it is, so also these men have spurred the winners on by their competition.

One of these contests is to be held at Lexington and the other here. It behooves every man to come out to the contest here. Let us show them that we can root as well as produce good debaters.

## GERMAN CLUB

At the meeting of the German Club Saturday night some very important matters were discussed in regard to the Easter German.

The date of the German was set for the night of April 14, and the President appointed committees to make the proper arrangements. The committees appointed are: Floor Committee—Sutherland, (chairman) Bland, Brittingham and Fentress. Refreshment Committee—Ellis and Phillips.

A motion was made and voted upon favorably that the Alumni and Faculty members be admitted to at Germans free.

Carneal and Cooper spent Saturday and Sunday in Norfolk.

### WHY NOT THIS YEAR?

Once more an agitation for a change in the system of electing the Editor-in-chief of the Literary Magazine has been started, and not without sound arguments by active workers of the literary societies. They are of the opinion that this publication should belong to the College and not the literary societies, and that men of ability other than society men should be eligible for the office.

Certainly, the restriction of the editorship to a single literary society, as does the present system, will find serious objections. Is it possible that the best man is to be found this year in the Philomathean and not in the Phoenix, because the editor is to be elected this year from the former? By no means is this the case. To have the office filled by the best man in College should be the aim of all, whether he is a society man or not. This may be accomplished by making the Literary Magazine a College instead of a society publication. Why not make the change this year?

### NOTICE! CORRECTIONS!

There seems to be some misunderstanding concerning the following statement made in last week's issue of The Flat Hat:

"The PiKappa Alpha Fraternity was allowed to give an individual dance in the face of strong opposition by the advocates of the interfraternity dance only because Easter is so near and much preparation for the dance has already been made."

Those who assume that the Panhellenic council controls the fraternity dances interpreted "advocates of the interfraternity dance" to mean the advocates on the council. The writer of the article, taking the

members of the Faculty as authority in the matter, had in mind the Faculty meeting at which there was a discussion of regulating the dances at Easter as well as at Finals. The misunderstanding arises solely from a difference of viewpoint, not a misstatement of facts.

The interfraternity dance scheduled for Monday evening, April 16, will not be given.

### TESTIMONIAL OF BLUE RIDGE BY WILLIAM AND MARY DELEGATE

I think I can say without the least reservation that during my whole life I have never spent a more delightful and meaningful ten days than those which I spent at the Southern Students' Conference held at Blue Ridge, N. C., last summer. In the midst of nearly five hundred students and professors drawn together from the entire South I felt as much at home as in my own college. The fraternal fellowship and Southern hospitality that characterized the place couldn't make one feel otherwise. The social and recreative side of the life at Blue Ridge appealed to me as being ideal for a college community, and I have often wished that every man at William and Mary might have caught this spirit. A thinking college man cannot go to Blue Ridge for ten days and return to his college the same man, nor will that college be the same that sends men to Blue Ridge, if they do their duty when they return. I, therefore, heartily recommend Blue Ridge as a delightful place for one to spend his vacation and at the same time to get invaluable training as a leader in college activities.

Paul N. Derring.

### FOOTBALL

First a signal—then a thud,  
Then your face is in the mud;  
Some one jumps upon your back,  
And your ribs begin to crack;  
The whistle blows—"Down," that's  
all,  
That's the way to play football.

### BASKET-BALL

The center signals—you're on your  
toes;  
You start to run—smash on your  
nose!  
The ball comes shooting, you get a  
shove,  
Hit the floor—see stars above.  
Your rivals shoot—two points, that's  
all;  
Oh, it's great fun—that's basket-  
ball.

### BASEBALL

You step to bat—your club in hand.  
"If I hit that thing, it'll never  
land;"  
Two balls shoot by—"strike two,"  
oh, murder,  
"To swing at that I'd need a ladder."  
Another one—"You're out," strike  
three—  
Baseball's some game—take it from  
me.—Ex.

## ACADEMY LOSES TO JOHN MARSHALL HIGH SCHOOL

The Academy played John Marshall High School on Cary Field Saturday morning. The teams were well balanced, but the Papooses failed to show their usual vigor, which was probably due to the fact that this was their first game of the season and that they had not had practice enough. They lost to the Marshallites by the score of 10 to 0.

Sloan, who pitched for the Marshallites, showed good work as well as the whole team. They proved themselves to be in much better form than the Papooses.

John Marshall scored first in the third inning, when they pushed four runners across the plate. Four more were registered in the fourth inning, while the others were scored in the sixth and seventh frames, two coming in the seventh and one in the sixth stanza.

W. R. Hudson, Academy pitcher, showed up splendidly, especially in the latter part of the game. West, catcher, also did good work, especially in batting. Altogether the team has the ability to do good work and with more practice they have the promise of becoming a fine team.

Substitutions, Academy: Wornem for Pozarth, Moore for Pulley, E. D. Hudson for Henley.
